LIABILITY WAIVER

By requesting the services of DB Cleaning Services, I acknowledge and agree to the following terms and conditions:

1. Window Blinds Waiver:

a. I understand that if I request DB Cleaning Services to clean my blinds, and during the cleaning process, the blinds break or get damaged, DB Cleaning Services will not reimburse me for any expenses associated with the repair or replacement of the blinds.

b. I am aware that blinds may become fragile and prone to breakage after a detailed dusting job due to their exposure to sunlight.

c. I acknowledge that cleaning the blinds is included in the Deep and Recurring Cleanings unless I explicitly request otherwise before the service begins.

2. Rare Items, Collections, and Sentimental or Valuable Items Waiver:

a. I understand that if I request DB Cleaning Services to clean any rare, extremely expensive, or sentimental items, and in the process, they break or get damaged, DB Cleaning Services will not be responsible for their replacement, or any expenses incurred for repair.

b. I acknowledge that items that are irreplaceable, hard to find, or hold significant value are not covered by DB Cleaning Services' breakage policy.

c. I am responsible for storing away such items on the day of the cleaning or bringing them to the attention of the technician to ensure they are not touched.

3. Stainless Steel and Brushed Aluminum Surfaces/Appliances:

a. I understand that if I request DB Cleaning Services to clean my stainless steel or brushed aluminum surfaces or appliances, and during the cleaning process, they get scratched due to wiping or scrubbing stubborn stains, DB Cleaning Services will not reimburse me for any expenses associated with the damage.

b. I am aware that stainless steel and brushed aluminum surfaces are susceptible to scratching even with normal kitchen activities, and even non-abrasive compounds may cause scratches.

4. Floors, Walls, and Furniture Liability Waiver:

a. While DB Cleaning Services trains its employees to exercise care while cleaning, I understand that to reach hard-to-reach areas or surfaces, furniture may need to be moved. DB Cleaning Services will try to move lightweight furniture but may be unable to move heavy furniture.

b. I acknowledge that DB Cleaning Services will not be held liable for any repairs or damages to walls, doors, certain types of floors (e.g., wood, vinyl, tiles), or any type of furniture, including breakage, while performing the cleaning task.

c. If I do not wish to have furniture cleaned or moved, I understand that I must clearly specify this before the service commences.
